## Merino

Inspired by South Africa's artisanal craftsmanship and wool-making tradition, Merino is a timeless Berber range that mimics the warm feel and texture of natural wool. Crafted with Air Twist technology and Belgotex polypropylene fibres, this comforting tufted broadloom solution is ideal for homes or lodges. Its rustic charm is enhanced by subtle flecks of contrasting colours in its fibres to reflect the beauty of nature. Merino offers an authentic wool-look carpet with the benefit of resisting wear and pilling. Available in six elegantly natural colours.
