Grandeur

The Longevity Collection

Grandeur is a tufted broadloom that takes its cue from the rugged yet majestic misty mountain landscapes where wool is often grown. Its chunky looped Berber texture is made to look and feel like a cosy and bulky woollen carpet but does so with Solution Dyed Nylon. That means an impressive natural look carpet with better performance - low maintenance, fibre memory, insulation, and luxurious underfoot comfort. Discover six hazy hues that make up Grandeur's palette and merge comfort with convenience in your home.
