

B.

Baltimore

Baltimore was specifically designed with the needs of the corporate and hospitality environments in mind. Baltimore is a densely constructed wall-to-wall carpet which features a unique yarn system that reduces surface “shading”. Stainproof SDX (Solution Dyed Nylon) fibres also provide excellent colour fastness and resistance to fading. With its international range of colourways Baltimore offers a colour option suited to a wide range of projects.

Tufted Broadloom Disclaimer: Product Characteristics may vary due to the nature of manufacture. To combat colour variance do not install more than one dye lot in a single installation. Sample swatches have been cut from an overall design; therefore, the decoration and shades may vary. A difference in appearance from the pattern is likely, as the product is not intended to have a uniform appearance.
