Comfytex Superior

Underfoot Delight

The ultimate in comfort-first heterogeneous vinyl, Comfytex brings much-loved warmth and elegance of designer timber, tile and mosaic looks into your home. With cutting-edge Belgian vinyl technology and our innovative bespoke textile backing, it provides a uniquely comfortable underfoot experience all year round. A semi-loose lay installation saves time and effort while its wear layer makes for enduring performance. With its low VOC and phthalate-free properties, enjoy peace of mind knowing your floors are beautiful, healthy and sustainable. Comfytex is an invitation to relax, unwind, and make memories in the comfort of your own home.

- Belgotex COMFYTEX SUPERIOR 2.6mm Heavy Residential Use Multi Layered vinyl flooring with high quality textile backing - semi looselay up to 30m².
- 30 x 2m with 0.25mm wear layer.
- 10 year residential warranty.
- This product is to be laid in accordance with SANS 10070 fitting code of practice.
- Belgotex recommends the use of a 60mm unhooded soft castor, with a 23mm or 38mm diameter, designed for a 60kg loading capacity per a castor. Recommended material is high impact nylon core and hub with soft grey/black PU treads on the wheel.
- Green tag level A Gold rated certification.

Note: Belgotex offers customization of this product in colour. Please contact a Belgotex representative for more information.

Product characteristics may vary due to the nature of manufacturing. To combat colour variance do not install more than one dye lot in a single installation. Sample swatches have been cut from an overall design; therefore, the decoration and shades may vary. A difference in appearance from the pattern is likely, as the product is not intended to have a uniform appearance.
